

**An Articulation Agreement  
Between  
Sauk Valley Community College  
and  
The Board of Trustees of Illinois State University**

Sauk Valley Community College (SVCC) and the Board of Trustees of Illinois State University (ISU) hereby form a cooperative relationship through this articulation agreement to better serve our public constituents, to smooth the transfer process, to minimize duplication of instruction and to build on community college and university learning experiences. Both institutions recognize that by working together, their collective efforts are stronger than their individual efforts.

The two institutions agree to the following:

1. Students who successfully complete the Associate of Arts (A.A.) degree with the concentration in Elementary Education at SVCC, and meet all general ISU and program admission criteria, will be admitted to ISU, typically at the junior level.
2. Acceptance into the Elementary Education program at ISU is based on each individual transfer student meeting the conditions and considerations listed for the program. Students who apply for the Elementary Education program at ISU must have a minimum SVCC GPA of 2.70, (if the student has attended multiple schools, the transfer GPA must be a 2.70 of all institutions attended) and apply between the dates of August 1 and January 15 for admission into the major to matriculate the following August.
3. For the smoothest transfer, it is recommended that students follow the suggested "Recommended Elementary Transfer Guide Sauk Valley Community College to Illinois State University" (Exhibit A). The courses on this Guide should be completed by the time of transfer from SVCC. Courses on this Guide have been reviewed and accepted for transfer to ISU as part of the Elementary Education major.
4. This agreement does not guarantee admission for students seeking readmission or reinstatement to ISU.
5. SVCC and Illinois State will collaborate and coordinate the recruitment and transfer of students in accordance with the program and degree requirements of their respective institutions. SVCC will inform prospective students of this program during student recruiting activities through co-branded marketing materials and/or other mutually agreed upon means. SVCC will publish the details of this agreement on their website for the benefit of students interested in participating in the program. ISU and SVCC will jointly approve any and all advertising related to the Guaranteed Admission Program. ISU will provide online or print information regarding its academic program requirements and transfer credit policies.
6. Relationships between SVCC and ISU faculty and administration are in the spirit of cooperation and provide the basis of this agreement.

7. Representatives of both institutions agree to meet on a regular basis, but at least every other year, to assess curricular changes and other conditions that may affect the nature of the agreement.
8. This agreement does not preclude either institution from making curriculum changes. The other party will be notified promptly in writing of any such curriculum changes.
9. Either party may terminate this agreement by giving one year's advance notice to the cooperating institution's chief academic officer. Students participating at the time of termination will be permitted to complete the program.
10. This agreement is effective with the 2023-2024 academic year and will automatically renew each year for a total period not to exceed five (5) years unless terminated in accordance with paragraph 9 above.
11. It is understood and agreed that neither party to this Agreement shall be legally liable for any negligent or wrongful acts, either of commission or omission, of the other, unless such liability is imposed by law and this Agreement shall not be construed as seeking to either enlarge or diminish any obligation or duty owed by one party against the other or against third parties.
12. Both parties agree to comply with all applicable federal and state nondiscrimination, equal opportunity and affirmative action laws, orders, and regulations. Neither party shall engage in unlawful discrimination or harassment against any person because of race, color, ancestry, national origin, religion, pregnancy, sexual orientation, order of protection, gender identity and expression, age, marital status, disability, genetic information, unfavorable military discharge, status as a veteran, or sex (including sexual harassment, sexual assault, domestic violence, dating violence, and stalking).
13. The relationship of each party to the other under this Agreement shall be that of independent contractor, and no employment, partnership, or joint venture relationship shall be created by the entry into or performance of this Agreement by the parties.
14. Both parties affirm that, to the best of its knowledge, there exists no actual or potential conflict between such party's family, business, or financial interests and its obligations under this Agreement; and, in the event of a change in either of its private interests or obligations under this Agreement, and such party will raise to the other any questions regarding a possible conflict of interest which may arise as a result of such change.
15. This Agreement may not be assigned to either party without the prior written consent of the other party. Such consent shall not be unreasonably withheld. The Agreement, attachments, and incorporated references shall constitute the entire agreement between the parties with respect to the content of said Agreement. This Agreement may not be amended by either party unless such amendment is mutually acceptable to both parties and is reduced to writing and signed by both parties.
16. The failure of either party to enforce any provision hereof shall not be construed as a waiver of such party's right to enforce such provisions in the future. In the event that any provision of this

Agreement shall be held to be void, voidable or otherwise unenforceable, the remaining provisions, shall remain in full force and effect. This Agreement shall be governed by the laws of the State of Illinois, without regard to the conflicts of laws. Any dispute arising hereunder shall be brought only in the appropriate courts located in Illinois. This Agreement may be executed in counterparts, including by facsimile signature, each of which shall be deemed an original, and all of which together shall constitute a single instrument.

17. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.
18. **Confidentiality.** Both ISU and SVCC may receive confidential student information as a result of participation associated with this Articulation Agreement. ISU and SVCC agree to abide by the student protections as outlined in the Family Educational Rights and Privacy Act.
19. **Use of Trademark.** ISU and SVCC agree to grant mutual, non-exclusive, non-transferable rights to utilize each other's trademarks, logos, or other institutional identifiers as provided by each party for the purposes of promoting this agreement. Should improper use of any trademark by either institution be determined, ISU and SVCC shall attempt to collaboratively work to rectify the usage. Usage does not grant any right or interest to acquire said trademarks.
