and  
The Board of Trustees of Illinois State University**

3. Joliet Junior College students who wish to transfer to the Creative Technologies Program, must meet all general Illinois State University and program criteria for admission, and generally, will be placed at the junior level. If a student has attended multiple schools, the transfer GPA must be at least 2.0 of all institutions attended using criteria from Illinois State University's Office of Admissions.
4. Acceptance into the Creative Technologies program at Illinois State University is based on each individual transfer student meeting the conditions and considerations listed for the program. As part of this agreement, Joliet Junior College students who are admitted to both Illinois State and the Creative Technologies Program, will not be required to submit a portfolio for admission purposes.

5. Students must apply in the preferred filing period for admission. For fall, the preferred filing period is August 1 to January 15; for spring, the preferred filing period is April 1 to August 1.
6. This agreement does not guarantee admission for students seeking readmission or reinstatement to Illinois State University.
7. Students who are accepted into the Creative Technologies Program Interdisciplinary Technologies sequence will be allowed to substitute eight (8) of their 13 Major Elective hours from Joliet Junior College for the CTK Traditional Fine Arts Core hours.
8. A maximum of 70 semester hours will be accepted from Joliet Junior College toward the 120 semester hours required for graduation. Students who are accepted are responsible for completing all requirements for the B.S. degree in Creative Technologies which includes all general education or transferable substitutes such as the IAI Transferable General Education Core; and an additional Science, Mathematics, and Technology (SMT) course. An AMALI course is also required regardless of degree. A more detailed description of these requirements can be found in the Illinois State University Undergraduate Catalog.
9. Illinois State University makes this agreement in good faith and will hold places in the major for those Joliet Junior College students who are accepted and meet the conditions outlined above.
10. Relationships between JCC and ISU faculty and administration are in the spirit of cooperation and provide the basis for this agreement.
11. This agreement does not preclude either institution from making curriculum changes. However, appropriate notice must be given to personnel at the cooperating institution for review prior to any changes being made.
12. Either JCC or ISU may terminate this agreement by giving one year's advance notice to the cooperating institution's chief academic officer. All students admitted to ISU or enrolled at ISU at the time such termination becomes effective shall be permitted the opportunity to complete their degree or program upon such terms and conditions as were in effect at the time said student was admitted.
13. This agreement is effective with the 2021-2022 academic year and is subject to renewal biennially for a total period not to exceed 10 years as mutually agreed upon by both parties.
14. It is understood and agreed that neither party to this Agreement shall be legally liable for any negligent or wrongful acts, either of commission or omission, of the other, unless such liability is imposed by law and this Agreement shall not be construed as seeing to either enlarge or diminish any obligation or duty owed by one party against the other or against third parties.
15. Both parties agree to comply with all applicable federal and state nondiscrimination, equal opportunity and affirmative action laws, orders, and regulations. Neither party shall engage in unlawful discrimination or harassment against any person because of race, color, ancestry, national origin, religion, pregnancy, sexual orientation, order of protection, gender identity and expression, age, marital status, disability, genetic information, unfavorable military discharge, status as a veteran, or sex (including sexual harassment, sexual assault, domestic violence, dating violence, and

stalking).

16. The relationship of each party to the other under this Agreement shall be that of independent contractor, and no employment, partnership, or joint venture relationship shall be created by the entry into or performance of this Agreement by the parties.
17. Both parties affirm that, to the best of its knowledge, there exists no actual or potential conflict between such party's family, business, or financial interests and its obligations under this Agreement; and, in the event of a change in either of its private interests or obligations under this Agreement, and such party will raise to the other any questions regarding a possible conflict of interest which may arise as a result of such change.
18. This agreement may not be assigned by either party without the prior written consent of the other party. Such consent shall not be unreasonably withheld. The Agreement, attachments, and incorporated references shall constitute the entire agreement between the parties with respect to the content of said Agreement. This Agreement may not be amended by either party unless such amendment is mutually acceptable to both parties and is reduced to writing and signed by both parties.
19. The failure of either party to enforce any provision hereof shall not be construed as a waiver of such party's right to enforce such provisions in the future. In the event that any provision of this Agreement shall be held to be void, voidable or otherwise unenforceable, the remaining provisions, shall remain in full force and effect. This Agreement shall be governed by the laws of the State of Illinois, without regard to the conflicts of laws.
